Water User Workshop on Water Supply Usage and Rescheduling Forecast

A water user workshop regarding the water supply picture for the remainder of the current year will be held on June 22, 2010, at 1:30 p.m. at the District's Five Points Field Office. The agenda for the workshop is attached to this notice. General Manager Tom Birmingham and Deputy General Manager Tom Glover will provide critical information regarding water supply usage, groundwater pumping, San Luis Reservoir fill-forecast and rescheduling matters.

Please plan on attending this important meeting.
